Tuition is payable by the session and prices above are for the entire six weeks. Classes are non-refundable. Students may make-up missed classes in any appropriate class, other than the one in which the student is registered. We reserve the right to cancel any class with insufficient enrollment. In this case, tuition will be refunded.

Please understand that it is important for Rep Ensemble dancers and serious students to continue training throughout the summer. Long breaks allow many muscles to weaken, and therefore set dancers back. Pointe students will **need** to take two ballet classes weekly; or one ballet with Advanced or Mixed Level Pilates taken different weekdays.

*These Advanced ballet classes will run for five weeks due to Ballet Rep Camp during the week of August 9.
